Supplemental Response

Sir:

Further to our Response dated May 17, 2005, Applicant submits herewith an Expert Declaration from Dr. Henry Daniell and attached Exhibits (Daniell Declaration). This Daniell Declaration is referred to in the remarks section of the May 17, 2005 Response, and is provided as further evidentiary support for the positions set forth in such Response. Submitted separately but concurrently with this Supplemental Response is a Supplemental IDS which includes a majority of the references listed in the Exhibits to the Daniell Declaration. The Examiner will note that the graduate theses listed in the Exhibits were not provided, as they were dated more than a year from the present application's filing date, were voluminous and merely cumulative to the references provided. Should the Examiner be of the opinion that these Masters theses may be helpful, Applicant asks that he contact the undersigned representative to see if a copy may be obtained.

Application No. 09/079,640

Applicant requests that the Examiner call the undersigned if clarification is needed on any aspect of this Response, or if the Examiner believes a telephonic interview would expedite the prosecution of the subject application.

Respectfully submitted,

Timothy H. Van Dyke
